

WATER HEATERS FROM STIEBEL ELTRON

Pure Comfort Day After Day Shower unit DS 30...60(E)

Shower in Style!

Introducing the new DS instantaneous water heater

Stiebel Eltron have done it again, with another technology driven German masterpiece of water heating. The DS shower heater is not only fitted with the newest technology, proven parts, and ground breaking design, but also with a built-in ELCB.

Stiebel Eltron is the leading German manufacturer of instantaneous water heaters. Having established itself in 1924 in Berlin, millions of Stiebel Eltron water heaters are now found throughout the globe. Priding itself as the market leader in innovation and style, Stiebel Eltron is proud to launch yet another product to its range of water heaters.

Install a DS shower heater today, and make showering just how it should be: simple and comfortable.
