

HTE 4

HOT AIR HAND DRYERS

PRODUCT-NO.: 073007

Dry your hands comfortably and economically **Don't put up with noise** Since hygiene plays an important role in sanitary facilities, we have also equipped this hand dryer with an infrared sensor. This switches the appliance on without the need to touch it. Users simply have to hold their hands directly below the air outlet. This also makes operation extremely economical.

The main features

Maintenance-free, reliable operation

Low operating costs

Very hygienic due to contactless operation

Especially quiet

Type	HTE 4
Part no.	073007

Technical data

Power supply	1/N ~ 220-240 V
Rated voltage	230 V
Frequency	50/- Hz
Rated current	7.8 A
Rated output	1800 W
Operating noise	54 dB(A)
Air speed	12 m/s
Air flow rate	146 m ³ /h
Drying time	36 s
IP rating	IP23
Protection class	II
Casing material	Plastic
Colour	alpine white
Height	250 mm
Width	238 mm
Depth	230 mm
Weight	2.50 kg

Installation information

Please ask your local power supply utility or a registered electrician to install appliances that are not fully wired, i.e. ready to plug in. The electrician should also be able to assist you with obtaining the agreement of the respective power supply utility required for the appliance installation.
